

Medieval Murder Mystery

Catch a regicidal maniac!

Medieval Murder Mystery is a fun, strategic tile placement game of solving the king's murder. Players take on the roles of various suspects as they investigate the slaying.

The tile placement has a puzzle-solving feel that grows in complexity as the game progresses. It is simple to learn, but has several satisfying strategic elements that add to its replayability.

- > Combines the fun of tile placement with light deduction.
- > Has proven popular with both casual and strategy gamers in my play test group.
- > Simple to learn, plenty of strategy.
- > Fun for 2-5 players.
- > Play time 35-60 minutes.
