

ESCAPE & EVADE

After the crash, can you get your crew home alive?

One minute, you and your crew were flying high above a war-torn country. A sudden explosion and a crash to earth has put your lives in danger - you've got to seek shelter, you need food and water, and the enemy is out looking for you!

Escape and Evade is a cooperative deck-building game where you and your team are trying to make it out of enemy territory alive. While you are adding cards to your deck to increase your chances, the game is constantly adding bad cards to slow you down.

- > Immersive action that rewards ingenuity.
- > A unique take on deck-building as you fight the game to keep your head above water.
- > A tile-based map system to keep each game fresh and challenging.
- > Tense survival for 2-4 players.
