

DEVGRU

The only easy day was yesterday...

DEVGRU is a cooperative miniatures wargame of door-kicking, room-clearing action. Players take on the roles of the elite SEAL Team 6, also known as DEVGRU. You must shoot, move, and communicate as your team breaches doors and takes out bad guys. Teamwork is the only way to win!

- > A card system that controls the enemy to make sure they get more organized and more lethal as the mission goes on.
- > Cooperative system that focuses on teamwork and communication.
- > Tile-based maps for endless replayability.
- > Missions like room clearing and hostage rescue keep the game fresh.
- > Special Ops action for 2-4 players.
