

Pharaoh's Tomb

Discover the dark secrets buried within...

Pharaoh's Tomb is a game of danger, adventure, and discovery set within an ancient Egyptian tomb. Players explore the twisting passageways while discovering relics and items to upgrade their abilities.

Players begin their expedition with a bag full of tiles. Any artifacts they recover or curses they are afflicted by are added to the bag, allowing for a deckbuilding-style experience with a new twist.

- > Tile-based exploration ensures a different map every time.
- > Card encounters immerse the players in the setting.
- > Competitive archaeology for 2-5 players.
